

# Equality with Seneca Petition

Phone and e-mail optional

*We* the people of Niagara, hereby declare our intention to have, and if need be, to fight for equality for all people living in Niagara Falls, New York. And further... to vote for or against, petition, rally and persuade elected officials to end the disastrous and monstrous inequality of law, which grants a person born a Seneca superior rights over Americans.

We, as patriotic Americans, demand that Americans have equality with Seneca now!
